‘Your Gipton Wood’ survey

Survey run to understand how Friends and the community want to see the wood improved and think it could be used better.

- Survey advertised to 1000+ homes around the community
- Posters placed in wood, library, Oakwood & Oakwood notice board
- Posted on social media by FOGW, REAP, Labour group, Chapel Allerton Runners and others

We want to know about **your**
Gipton Wood

Complete our survey on how you think the wood could be improved for nature and the community

Survey results

Clear indicators as to how people use the wood.

- How can we make it more of a destination space?
- How do we increase knowledge of the wood?

Survey results

People really love having a wild space on their doorstep.

They don't like:

- Litter
- Feeling unsafe (inc. ASB, drugs and dogs)
- Accessibility issues
- Road noise

Survey results

Respondents think we should...

- Improve regeneration,
- Provide more information,
- Conserve the SAM,
- Improve the boundaries and paths, and
- Most of all **pick litter!**

Survey results

Respondents would like...

- Guided walks/talks to engage with nature
- Activities for children in the wood / to engage with nature
 - Increased connectivity with local groups/schools
- Led wildlife activities, e.g. bird watching
- Help to connect with / relax in nature to improve wellbeing

Survey results

Respondents would get involved with us more if...

- Diversity of opportunity
 - Different days and times
 - Range of activities
- Guidance and achievement
 - Led activities
 - Activities linked to outcomes
